**Bearbeitungshinweise:**

a.

In diesem Aufgabenbogen finden Sie im ersten Teil „Leseverstehen“ Sätze und Kurzdialoge, bei denen an einer Stelle etwas ausgelassen ist. **Class reunion (Klassentreffen)**

Last Saturday we met again for the first time in twenty years. I don't know why, but when I arrived at the old pub I was very nervous. There was already a noisy, cheerful group there: "Hello"; "How are you?"; "What are you doing now?"; "Isn't that Chris Dodson, who brought a white mouse into music class once?"; "Look, there's Tom Beam, who..."; "Well, we're not as slim as we were twenty years ago..."; "Is that really your own hair?" I stopped and listened to these voices of the past. There was Anthony H., a most charming young man - charming that is when he was young. A great success with all the girls in town. After he left school he went to Australia, married a farmer's daughter, started a small business and went bankrupt twice. His wife left him and he came back to England. He now works as a bank clerk and seems to have a drink problem. He talked about his family back in Australia all evening.
